

Reward Policy

This would include all aspects of an employee's (staff/faculty) remuneration package; for instance basic pay, benefits, recognition awards and other intangible benefits such as working environment and career development. As the University's success relies on the talent and contribution of all staff/faculty, we will value and reward all our staff/faculty for what they contribute and achieve. Rewards policies and practices aim to support the University Plan in its themes of Excellence, Internationalization, Inclusivity and Sustainability.

Within the financial provision or established grading of the post, the salary offered relates to the applicant's experience or expertise.
